## Midi free-standing Beacons / EvoSIGNAL Midi Rotating 12/24V AC/DC GN

ļ

| Part No.:                    | 261.240.70 |                    |  |
|------------------------------|------------|--------------------|--|
| Series:                      | EvoSIGNAL  | CC CÂ              |  |
| MECHANI                      | CAL DATA   |                    |  |
| Height                       |            | 130 mm             |  |
| Diameter                     |            | 85 mm              |  |
| Materials                    |            | PC                 |  |
|                              |            | PC/ABS             |  |
| Dome colour                  |            | Green              |  |
| Housing colour               |            | Grey               |  |
| Protection category          |            | IP66               |  |
| Connection                   |            | Push-in terminal   |  |
| cross-sectional area minimum |            | 0,25mm² / 24AWG    |  |
| cross-sectional area maximum |            | 1,50mm² / 16AWG    |  |
| Type of fixing               |            | Adapter required   |  |
| Working temperature minimum  |            | -30°C              |  |
| Working temperature maximum  |            | +60°C              |  |
| Weight with packaging        |            | 213 g              |  |
| Product weight               |            | 171 g              |  |
| ELECTRICAL DATA              |            |                    |  |
| Operating voltage            |            | 12V<br>24V         |  |
| Operating voltage type       |            | AC/DC              |  |
| Operating voltage frequency  |            | 50Hz               |  |
| Operating voltage tolerance  |            | +/- 10%            |  |
| Rated operational voltage    |            | 12 VDC             |  |
| Rated operational current    |            | 120 mA             |  |
| Rated inrush current         |            | 1A                 |  |
| Protection class             |            | Protection class 2 |  |
| Pollution degree             |            | 3                  |  |
| Overvoltage category         |            | III                |  |
| OPTICAL I                    | DATA       |                    |  |
| Light source                 |            | LED                |  |
| Light colour                 |            | Green              |  |
| Optical signal image         |            | Revolving          |  |
| Service life optical         |            | 50,000 h minimum   |  |
| Rotation speed (rpm)         |            | 180 U/min          |  |
| Pulse- & pause Duration [ms] |            | 550N, 2780FF       |  |
| APPROVA                      | L DATA     |                    |  |
| Conforms with CE             |            | Yes                |  |
| Conforms with RoHS directive |            | Yes                |  |
|                              |            |                    |  |

## Midi free-standing Beacons / EvoSIGNAL Midi Rotating 12/24V AC/DC GN

| WEEE                          | Yes                   |
|-------------------------------|-----------------------|
| Conforms with ATEX-directive  | No                    |
| Conforms with CCC             | No                    |
| Conforms with UL              | cULus                 |
| UL Type Rating                | Туре 12               |
| Conforms with FCC             | No                    |
| Conforms with IC              | No                    |
| EAC certificate available     | Yes                   |
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with AS-I            | No                    |
| ICAO Certification            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
| MTTF-value [years]            | 406                   |
